

Relevant Financial Relationship and Sponsorship Statement

- There is **no sponsorship** for any of the AORN accredited nursing contact hour sessions during this conference.
- All speakers have **no relevant financial relationship** in promotion of products/services within the content of their presentations. Products will only be discussed in general terms.
- Marie Brewer, speaker for this educational event, is employed as Senior Director of User Experience and Clinical Strategy at STERIS. Monique Jelks, speaker for this educational event, is employed as the Sterilization Clinical Leader for Solventum. All of the relevant financial relationships for these 2 individuals have been mitigated.
